Hello Ken,

I can't attend Wednesday's meeting because of my husband's health, but I want to encourage you again to vote NO on this project. This is your chance to show courage and leave an important legacy in our county. Your NO vote will demonstrate that you are concerned with the health and well-being of our citizens and realize that the importation of crude from Canada may result in a loss of income for this county when Philipps refines less of our local oil.

Sincerely

Cheryl Storton
